Nick Wright from Idaho REALTORS® came to our Luncheon to showcase the new Empower content available to all Idaho REALTORS® as part of their membership.

The Empower content is created by Idaho REALTORS® and Affiliates for your use. Each month they come out with new content including digital billboards and infographics suitable for sharing on Facebook. They also have a

monthly newsletter and videos that you can share with your customers.

All of the generic content is free to use. If you would like the content to be personalized with your business information there are
