Affiliate Membership Benefits

Inclusion in the RAAR Affiliates Guide

RAAR provides an affiliates guide to our REALTOR® Members, both for their use, and distribution to their clients. The Guide is also available to the public on our consumer website.

Access to Members Only Events

RAAR Affiliates are invited to attend our membership luncheons, as well as REALTOR® events and silent auctions. Affiliates receive invitations to other RAAR events like the annual Installation Banquet & Holiday Celebration each December. Affiliates also have access to local TREPAC fundraising and networking events.

Sponsorship and Advertising Opportunities

Affiliate members can request e-blast flyers advertising their services or events through the RAAR membership distribution and have the opportunity to exclusively sponsor weekly MLS Home Tour breakfasts and other events for additional exposure.

Membership Benefits of the Texas REALTORS®

Primary affiliate membership also brings with it special member benefits of the Texas REALTORS®. Check out <https://www.texasrealestate.com/members/member-benefits/> for more information.
